Edmonton, Alberta — July 14, 2020 —Elantis Solutions Inc. is pleased to announce it has been named [a winner in the 2020 Nintex Partner Awards](#) within the Regional Spotlight category.

Elantis was recognized for its proven ability to accelerate digital transformation and results for organizations across industries by leveraging the easy, powerful, and complete capabilities of the Nintex Process Platform.

“We’re excited to recognize Elantis Solutions as a winner of the 2020 Nintex Partner Awards,” said Nintex CEO, Eric Johnson. “Thanks to channel partners, like Elantis, more people are benefiting from valuable automation like digital forms, workflow, RPA, and eSignatures to improve business processes.”

This marks the second consecutive year that Elantis has been named a winner in the Nintex Partner Awards. In 2019, [Elantis won the award in the Customer Success category](#), and in 2018, [Elantis was recognized as finalist in the Business Excellence category](#). Elantis was also a [finalist in the 2017 Nintex Partner Awards](#).

The 2020 Nintex Partner Awards winners in the Regional Spotlight category are identified as top partners by Nintex regional leadership. They are recognized for their regional market impact and momentum with local customers. This recognition is all the more impressive when considering Nintex geographically divides their partners into only three regions: AMER, APAC, and EMEA. This places Elantis as a top Nintex partner throughout all of North, Central, and South America.

This 2020 Nintex Partner Award winner announcement closely follows Nintex' announcement that [three Elantis customers were finalists in the 2020 Nintex Solution Innovation Awards.](#)

"Providing Nintex solutions helps us provide real value to our customers," said Elantis' CEO, Dave Roe. "Elantis is proud to be recognized for our positive impact to clients throughout North America. We are looking forward to continuing to grow with Nintex, and empowering our customers with automation solutions that transform their business."

Organizations around the world are digitally transforming the way people work with the process management and automation capabilities of the Nintex Process Platform, including: [Nintex Promapp® for process mapping;](#) robotic process automation (RPA) with [Nintex RPA; workflow automation,](#) digital forms, and mobile apps with Nintex Workflow, Nintex Forms, and [Nintex Mobile Apps;](#) document automation with Nintex Drawloop DocGen®; and e-Signatures with Nintex Sign™ powered by Adobe Sign.
