

# Elantis Wins 2022 Nintex Partner Award For Business Transformation

**Edmonton, Alberta — September 27, 2022** — Elantis Solutions Inc. is pleased to announce it has been recognized as a Business Transformation winner of the [2022 Nintex Partner Awards](#).

Elantis was recognized for its proven ability to help organizations accelerate digital transformation and drive business outcomes with the powerful and easy-to-use capabilities of the Nintex Process Platform.

“We’re proud to recognize Elantis as a winner of the 2022 Nintex Partner Awards,” said **Nintex CEO Eric Johnson**. “Organizations across every industry and region rely on Nintex Partners, like Elantis, to help accelerate digital transformation and solve process challenges with the Nintex Process Platform.”

This marks the fifth consecutive year Elantis has been recognized, winning the [2020 Nintex Partner Award for Regional Spotlight Americas](#) and the [2019 Nintex Partner Award for Customer Success](#), and being a finalist in the [2021](#) and [2018](#) Nintex Partner Awards.

The 2022 Nintex Partner Awards winners are identified as top partners by Nintex regional leadership. They are recognized for their regional market impact and momentum with local customers. This recognition is even more impressive when considering Nintex geographically divides their partners into only three regions: AMER, APAC, and EMEA. This places **Elantis as a top Nintex partner throughout all of North, Central, and South America**.

This announcement closely follows the news that one of Elantis’ customers, Quaker Houghton, received top honours as the [2022 Nintex Champion](#) in the 2022 Nintex Solution Innovation Awards. The Business Transformation category recognizes top customer entries to the 2022 Nintex Solution Innovation Awards.

“Elantis is proud to be recognized for our positive impact to clients throughout North America,” said **Elantis CEO Dave Roe**. “Our close partnership with Nintex helps us deliver results quickly and effectively, empowering our customers with automation solutions that transform their business.”

The Nintex Partner Awards recognize channel partners that drive high-impact results and continuous process improvements for public and private sector organizations across every industry and geographic region by leveraging Nintex’s powerful and easy-to-use process management and automation software. Each Nintex Partner Award winner was selected based on measurable business results during Nintex’s fiscal year 2022, extending from July 1, 2021 to June 30, 2022.
